

# *Christmas Closure*

We will be operating with skeleton staff during the Christmas period from Thursday 22nd December until Thursday 5th January.

Please continue to send through any orders for processing. We anticipate they will be processed and shipped with minimal delay. If the phones are temporarily unattended, please follow the prompts and leave a message, send an email, or use the chat on our website. These will be actioned as a priority as we are available. We will return to normal operations on Thursday 5th January 2023.

**Merry Christmas from the SG Team, we value your business.  
We look forward to working with you in 2023 and beyond.  
Merry Christmas and Happy New Year**
